

## **Florida School for the Deaf & the Blind**

***Do More. Be More. Achieve More.***

September 10, 2020

The 2020-21 school year is off to a great start! Thank you to all our families for working together to ensure the beginning of the year went smoothly, especially with so many changes and new ways of doing things. As a reminder, we encourage all parents/guardians to regularly log onto the [Skyward Family Access portal](#) to ensure FSDB has current contact and emergency contact information. It's also critically important, whether during a pandemic or a typical school year, that you have arrangements in place to transport your child from school should he/she become ill. It is your responsibility to pick up your child from FSDB as ill students may not attend classes, stay in the dormitories or ride FSDB transportation with other students. If you are unable to pick up your child during an emergency, you must make arrangements to do so with approval from your child's school principal. Please see the [2020-21 Parent-Student Handbook](#) for more details.
